The Student Handbook

For the second time in as many years the handbook makes its appearance at Lake Forest. It is our purpose in preparing this little book to answer the questions which would naturally arise in the minds of newcomers. The upperclassmen, however, will also find that much information may be had from this volume. For the freshmen every page will be of interest and it is hoped that they will read the book carefully, thereby becoming better acquainted with the College, its history, its spirit, its traditions, its organizations and its leaders.

While not all the subjects covered in the book are of vital interest to everyone, it is hoped that all will carefully and thoroughly read the book through from cover to cover, for only by realizing the proper attitude to assume and the motives back of Lake Forest traditions can you be assured of assimilating yourselves to your best advantage, and to Lake Forest's. The buildings and the more material objects on the campus you will soon learn without expending much effort. **The Student Handbook** will be an indispensable guide the year round. Keep it with you as a pocket companion.

Recognition and many thanks is given to those who have assisted in the publication of this, the second edition of the handbook as follows: Eleanor H. Lombard '29, Harold L. Pierson '29, A. Cholett Perkins '31 and James P. Tyrrell '32.

ESTABLISHED 1907

Resources over $3,500,000.00

TO THE CLASS OF 1933

In making the change from your preparatory school life to college there is need of adjustment to a new environment which calls for thoughtfulness and good judgment.

I caution you to stand ready to accept suggestions but be always determined to live your own life. Do not believe that because "you know a thing or two, you, therefore, know it all."

Do not allow your time to be dissipated in the first few weeks but start in to apply your minds to your studies and the tasks set out for you. Look far ahead and realize that these are important days for you and that your enjoyment of college life and the right to enjoy it in the future are dependent upon your application during these first few weeks at college.

An unusual opportunity is afforded at Lake Forest in the Campus life where teachers and students come to know one another. You will find the teachers of Lake Forest very willing to counsel with you and you can gain much from contacts with them.

Learn to accept responsibility. Do not expect to be carried along, above all, do not lean but learn, do not loaf but work.

Herbert McComb Moore.

Your College

You have choosen wisely in selecting Lake Forest. You will find here the excellent facilities and splendid opportunities of a small college. In the past few years Lake Forest has been growing with increasing rapidity to meet the educational needs of students who are seeking a broad education. No other college of equal size has had so rapid a growth in enrollment. Being a class "A" institution, it continues to hold a position of high prestige in the collegiate world.

Parallel with this material growth there has been an impressive intellectual development. Lake Forest has broadened in ideas and knowledge until it has become a college of exceptionally high standing. The largest college library in the state courses in the liberal arts, the sciences, and a distinguished faculty put within reach of every student the best thought available.

Founded seventy-four years ago, Lake Forest is one of the oldest of the small colleges in the state of Illinois. With each years growth there comes added prestige until Lake Forest rivals other colleges of the educational world. It is pre-destined to become one of the "great small colleges." Yet, through all this growth, Lake Forest still retains that democratic spirit so peculiar to the middle west. Situated in the highly restricted town of Lake Forest, less than an hour's ride from Chicago, the College is a happy combination of eastern culture and western friendliness.

In the minds of the faculty in this institution the students' problems are ever uppermost. You will find in these men and women a ready sympathy if you will but meet them half way. The dominant purpose of the College is to make better and more efficient citizens for our nation. To this end, in addition to educating the mind, it is diligently and thoroughly building up the body, the character, the personality, and tastes of each student.

You will find that there is much that is new in college that you ought to learn, but there is also a good deal that you learned at home to which you ought to cling. When many opportunities come crowding upon you, when you are impressed by the great amount of liberty given you — more liberty perhaps than you have ever had before — show that you are worthy of it by working harder than you have ever worked before. About everything else, you will need to discriminate. Be observant not only with your eyes, but also with your ears; however, avoid idle gossip. Those who talk most will leave college before the end of the first semester. Always try to obtain and keep the good will of your fellow students. What is new that is worth while, accept; but you will find it best to stand on your own feet and do your own thinking.

The class of 1933 wil be in the College during a remarkable period of Lake Forest's growth towards the ideal, worthy, institution on which our hearts are set. Your class will play an important part in determining undergraduate character in the future. The College would not have let you in unless it wanted you to be here. You were chosen because it was believed that you would make true Lake Forest material.

Your Room Should Be Made as Attractive As Possible!

It will probably be your home for the better part of four years, and the more home-like it is, the more you will enjoy it.

No room is complete without Curtains.

You will want Draperies, Pillows and the various ornaments, too, that distinguish a well-furnished room.

Tips to Frosh

Obey the sophomoric laws. They are listed under "Customs and Traditions" in this book.

Conduct yourself wherever you are in a manner that will reflect credit on Lake Forest, since you are now a representaive of Lake Forest.

Learn all college songs and yells immediately.

Get acquainted! Especially with members of your class. Say "Hello" or use the conventional Lake Forest greeting, "Hi".

Do not address your professor as "Prof". They are entitled to your respect.

Wear your frosh caps. It is a distinction and privilege and should be regarded as such.

Be respectful to upperclassmen.

Don't talk too much. Upperclassmen don't like it.

Go to church. Get the habit.

Don't cut classes. You may need your cuts later.

Choose your fraternity or sorority carefully.

There is a place for everyone to play on some kind of a team. Get busy and win your class numerals.

Get into one or two activities and stick.

Attend frosh convocations.

Don't knock! Boost!

Remember that the only way to have a friend is to be one.

It is easier to keep up than to catch up.

Refer to the **Student Handbook** often. Keep it with you at all times so that you may refer to class schedules and classroom numbers. It will save you from asking many foolish questions and will be a source of valuable information.

Scholarship

Every year a large number of high school graduates enter college with an erroneous idea of the primary purpose with which one should attempt a college course. Many students enter College because it seems to be the thing to do, "everybody is doing it". A very great number have no interest in advanced study and do not have the right attitude or incentive for higher learning, The final result is that they do not survive with the fittest and realize that they have made a serious mistake.

Serious Purpose Necessary.—"Failure in college most frequently comes from failure to recognize the aims of the college. The student who does not feel a real desire for study has good evidence that college should not be for him. It is not easy for a high school graduate to develop sufficient appreciation of the difference between the problem of meeting the requirements of the high school and the requirements of the college. The high school student is closely supervised in all of his work, relation between pupil and teacher are close and personal. Difficulties met with do not have to be mastered independently for the high school student knows that assistance is easily and readily secured. In college things are different because the student is not closely supervised. He must work independently. The burden of work in college makes high school requirements seem mere play. In college the disposal of time is largely in the hands of the student; he may study one thing or another, or he may not study at all. He may

read in the library, watch the team practice, go to a show, or loaf in various ways for there is no one to call him to account. To apply oneself to one's work, to meet enthusiastically the test of strenuous college assignment, to refrain from the multitude of temptations which are in competition with the real work of the college requires moral fibre of an unusual sort. The weakling and the disinterested sooner or later fall by the way. Many times those with the best intentions, who fail to appreciate the seriousness of it all, accompany the weakling and disinterested."

After entering college put forth your best efforts. Be assured that high school is a holiday compared to the demands of a college. Make up your mind that long hours of diligent application, tackling with real spirit unpleasant tasks, are necessary if one is to be successful in college.

It Pays to Study.—Does it pay to study? It pays to study hard. The student who averages with the upper ten per cent. of his high school class will, in four cases out of five, average with the upper ten per cent in college. A comparison of the relation of high school grades to college grades shows that standings in the secondary school decides what college standings will be. Do high grades in college pay? Statistics invariably prove that they do. Those who rank high in college have been found to have an income in relation to their high ranking in scholarship. Every study proves that the chances of success in life may be very closely determined upon the evidence of college marks. It is correct to say that it pays to study hard; the harder you study the more it pays.

A Time Budget.—The wise freshman will begin his year by carefully planning a schedule for study every day. Students of very good ability are unsuccessful because they lack the ability or inclination to organize their work. Students of fair ability frequently are very successful because they are systematic in planning their time and conscientious in adhering to the program. Every student finds his college life happier and more satisfactory if he plans his time in order that his hours of recreation are not marred by the consciousness of ever-pending unlearned lessons. A schedule is printed as a suggestion to aid in systematic studying. The program is a tentative one, but it indicates the way a student may budget his time.

Historical Sketch

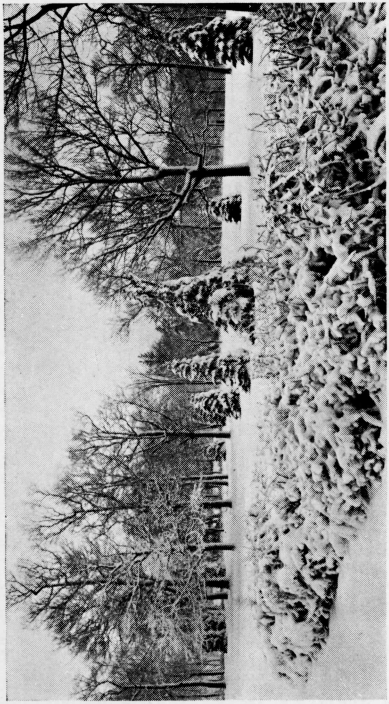
A college that would be near the city and yet retain all the advantages of quiet life in the country: that was the idea that conceived Lake Forest College. And so, in 1855, a number of citizens of Chicago and vicinity selected a site of land along the shore of Lake Michigan, twenty-eight miles north of Chicago, purchased 1300 acres of it, formed a land and college company called "The Lake Forest Association," and procured a charter for an educational institution under the name of Lind University. That first charter was granted on February 13, 1857, and on February 16, eight years later, in 1865, the name was changed to Lake Forest University. In July of the same year the first charter was granted the plat of the town of Lake Forest was recorded and every alternate lot assigned as endowment to the university. Sixty-two acres were then set aside as a campus.

Under the university charter Lake Forest Academy for boys was established in the fall of 1858. The college began three years later but after a year discontinued classes because of the Civil War that called over half the freshman and only class into the field.

Seven years later came the opening of Ferry Hall, a preparatory and finishing school for girls, named in honor of the Rev. Mr. Wm. M. Ferry of Grand Haven, Michigan, who left a legacy for the founding of such a school.

Lake Forest College as it is today was formally reopened on September 7, 1876 and the first class was gradutated in June 1879. But members of that class had entered as seniors



The Campus in Winter

and so the first class to spend four years on the campus received degrees in 1880.

In those days the trustees had visions of a great school in the country, and, the charter permitting them every kind of expansion, they organized a medical school in Chicago in 1859 and discontinued it five years later. Then came various alliances with other Chicago schools: Rush Medical College in 1887, Northwestern College of Dental Surgery in 1887, Chicago College of Law in 1888, and Chicago College of Dental Surgery in 1889. But these connections were all severed and in 1902, the trustees, realizing that their work lay in Lake Forest and in the teaching of the arts and sciences, unanimously decided to bend all their efforts to the building up of the Academy, Ferry Hall, and the College.

June, 1925, found the board of trustees of the university composed almost entirely of Lake Forest College alumni, and in the minds of these alumni a plan: that was to sell Ferry Hall and the Academy and concentrate their efforts on Lake Forest College. That they did that same month and today these three institutions stand alone with separate boards of trustees; the trustees of Lake Forest University—that is the name under which the College was chartered and must thus necessarily remain the business name of the institution—are directing the activities and growth of Lake Forest College.

Administration

Lake Forest College is controlled and maintained by a board of trustees composed of sixteen members and one "alumni trustee," although the board is now controlled by alumni members. Herbert McComb Moore, president of the college is a member, **ex-officio**, of the board. It is the duty of the board to be responsible for the continuation and support of the institution, to shape matter of policy, and to approve all appointments and administrations. They meet regularly in October, December, February, May and June.

Dr. Herbert McComb Moore is president of the college. He presides at all faculty meetings and is directly responsible to the trustees for the oversight and guidance of the institution in all its various departments. His office is in Durand Institute; his offices hours are 9 to 12 and 2 to 4. Conferences by appointment.

Mr. Fred W. Richman is comptroller and handles all the running finances of the college. All matters pertaining to college bills must be referred to Mr. Richman. His office adjoins Dr. Moore's, and his hours are 8 to 4:30.

Ronald B. Williams is Dean of Men and Excuse Officer for the men.

Edwin J. Schruers is in charge of the freshman dormitory, North Hall.

Roy V. Squires, '30, student proctor of North Hall.

Miss Agnes R. Koupal is Dean of Women with her office in Lois Durand Hall.

George A. Wood is Secretary of the Faculty.

Fletcher B. Coffin is Registrar.

Bruce Lineburg is Chairman of the Entrance Committee.

John H. Huhnke is Superintendent of Buildings and Grounds.

Philip C. Allen is Graduate Manager.

Charles S. Pier is assistant to the President, in charge of public relations.

Miss Ella H. Schaffer is Secretary to President Moore, and in charge of Patterson Lodge.

Miss Marie J. Meloy is assistant Secretary.

Miss Florence M. Olson is Bookkeeper.

Miss Hazel Collin is in Charge of the college bookstore.

Mrs. Anna Smith is in charge of the Commissary Department.

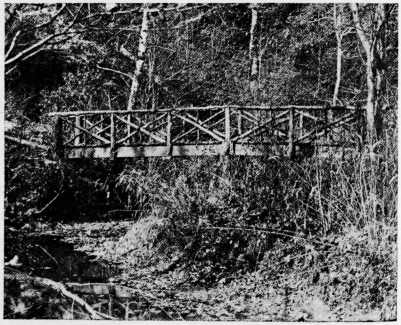
The Lake Forest College Alumni Association, composed of all graduates and former students of Lake Forest is a strong and active organization that has a definite influence upon the growth and future of the college. It is maintained by a fund created by the payment by each student upon matriculation of a fee of $15.00. The annual meeting and banquet are held at commencement time at Lake Forest. Weekly luncheons are held in Chicago.

The association is incorporated under the laws of Illinois with its purpose of further education and to collect and disburse funds without profit in the interest of Lake Forest College. The office of the general association is in Durand Institute.



Ravine Bridge

College Regulations

ADMINISTRATIVE

I. FEES.

A. The regular College bills are due at the opening of each semester, and must be paid within two weeks, unless within that time a satisfactory arrangement is made with the comptroller for later settlement. Students who fail to comply with this requirement incur an additional charge of five dollars. Pending settlement they will be excluded from classes, and absence thus incurred will be counted as unexcused.

B. No payments will be refunded to students who are dismissed or suspended, or who leave college for any reason, except in case of illness involving absence of more than half a semester, and then not more than half the proportionate charges for such period of absence will be refunded.

C. No degrees are conferred upon students who have not paid their dues to the college.

D. The tuition for college courses above eighteen hours shall be $5.00 an hour for each semester, and this fee shall not be remitted after two weeks in case students drop courses to seventeen hours or less, unless they drop said courses by order of the faculty.

II. SPECIAL MUSIC COURSES

The vested choir and college chorus and band and the orchestra are recognized activities.

The following faculty regulations apply to the college band:

1. Band may be applied toward part or all of the physical training requirement.

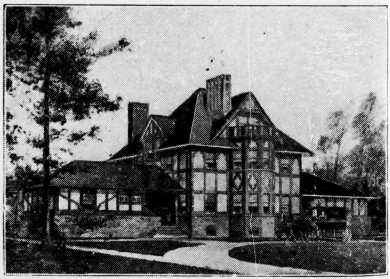
2. These regulations date from Feb. 7, 1928.

Freshmen and sophomores who play full time in the band are given credit for physical education at the end of each semester, and juniors and seniors who are behind in the physical education requirement may meet that requirement by full participation in the activities of the band.

III. GENERAL DISCIPLINE.

A. The discipline of the College is in the charge of the dean, under the president of the College. Breaches of discipline should be reported directly to the dean, and all complaints and suggestions relative to disciplinary problems should be taken first to him.

B. Any decision or action of the dean may by reversed by the president on appeal. Appeals shall be made only after action by the dean; shall be in writing; and complete copies of the appeal with all supporting data shall



Alice Home Hospital

be submitted simultaneously to the president and to the dean.

C. Any student receiving aid from the college who shall be found guilty of any grave breach of discipline shall immediately forfeit all such aid.

D. Only students of the College or members of its faculty or administrative staff shall be permitted to reside in the dormitories during the academic year.

SCHOLASTIC

I. ENTRANCE AND REGISTRATION.

The general regulations relating to entrance and registration will be found in the college catalogue, but the attention of students is directed especially to the following rules:

A. Normal Registration.

1. All students when registering as freshmen or unclassed students must have their schedules approved by the Freshman Advisory Committee. Sophomore, junior, and senior men shall register with their class officers. All sophomores, juniors and seniors are advised to consult with their major officers when making out their schedules.

2. Students who fail to complete registration within the specified time shall be fined three dollars ($3.00) unless excused by the president.

3. Graduate students, after admission by the Curriculum Committee, shall register in courses approved by their major professors and the Curriculum Committee.

4. No student shall receive credit in any course for which he is not regularly registered.

CHICAGO & NORTH WESTERN RAILWAY

655

5. If any one of the following courses is taken by a senior, one hour shall be deducted from the credit stated in the catalogue:

Biblical Literature, 1-2.
Biology, 1-2.
Chemistry, 1-2.
Economics, A, B.
English, 1-2.
French, 1-2.
German, 1-2.
History, 1-2.
Latin, A, B.
Mathematics, A, B, 1-2.
Physics, 1-2.
Spanish, 1-2.
Speech, 1-2.

B. Special Registration.

1. The normal registration is 15 to 17 hours according to the subjects taken. Students who wish to register for more than 18 hours a week must receive specific permission from their class officers and major professors. No student shall be allowed to take more than 21 hours or less than 14 hours without special permission by the faculty. No student shall be allowed to take more than 18 hours unless he has had an average of "B" the previous semester. Fourteen hours shall be considered a minimum, even in the case of seniors who do not need 14 hours for graduation. An addition fee is charged for each additional hour over 18.

2. Students registering for less than 14 or more than 18 hours should at the time of registration indicate on the back of their card the reasons for the special registration and should at once petition the class officers for the necessary permission.

C. Changes in Registration. After the opening of the semester changes of regis-

tration shall be made only for urgent reasons. A fee of $2.00 is charged for every change made after Saturday of the second week, unless ordered by the faculty. If the faculty order a change upon request or petition of the student, the fee shall be paid. Within two weeks after the opening of the semester, changes may be made by the use of cards furnished by the registrar with the consent of the instructors concerned and the appropriate class officer. Later changes require the approval of the instructors concerned, the class officer, and the dean. In general, a student shall not be permitted to enter a course after three weeks of the semester have passed. Discontinuance of a course with a grade of **W** is a change of registration. Any student who withdraws from a class, whether by transfer or by discontinuance, shall be at once graded either **W** or **E** by the instructor and the grade entered opposite the registration upon the permanent record of the students. If a student discontinues a course without permission he will still be considered a member of the class and will be charged with absences.

D. Restricted Registration. A student must pass in at least 14 hours of work in any semester (exclusive of physical training) in order to register without restriction for the following semester. If a student pass from 8 to 14 hours of work in any semester, he may be permitted to register under restriction for the following semester. This means that he may register for not more than 15 academic hours.

E. Grade of Work.

1. Regular students, who as shown by the second monthly report of a semester, are passing in less than eight hours of their work are dropped from the rolls. Such students will be reinstated only on recommendation of

the dean and will be considered as on probation for the remainder of the semester.

2. If a student shall fail to pass in 8 hours of work, in any semester (exclusive of physical training) he shall be suspended for one semester and required to leave the campus within five days; except that for first year students taking less than 15 hours, the minimum for the first semester shall be 7 hours' credit. For the first semester the 7 or 8 hours' credit must be gained not later than 6 p. m. on the Saturday preceding the first day of the second semester. The above does not apply to unclassified students, who have received faculty permission to carry less than 8 hours.

F. Required Work.

1. Requirements for graduation. One hundred and twenty semester hours in the studies of the curriculum are required for graduation. The required work in physical education must be added to this total. Students must secure for graduation as many credit points as there are credit hours required for graduation, (exclusive of physical education). Three credit points are given for each semester hour of A grade; two for each semester hour of B grade; and one for each semester hour of C grade. In case of students entering by transfer from other colleges the credit point requirement will apply to all work taken at Lake Forest College, but not to transferred credits.

2. Required work in physical education.

Physical education in the gymnasium or out of doors, under the supervision of the directors, is required in the freshman and sophomore years of all men students, two hours a week for the whole of each semester.

Physical education in the gymnasium or out of doors, under the supervision of the director of women's athletics, is required thusly:

All freshmen women, three hours a week.
All sophomore women, three hours a week.
All junior women, two hours a week.
Senior women are excused.

The freshmen will receive two credits for physical training and one for the one hour course in Hygiene.

b. Men engaged in the regular intercollegiate sports, and women engaged in interclass competition, are exempt from the regular requirement in physical education during the period of training only.

c. Regular outdoor physical work for definite periods may be substituted for the required work in physical education by petition to the Committee on Athletics on the recommendation of the physical director concerned.

d. The work of physical education may not be deferred, but students doing outside work in self-support may be allowed or required by the Dean to reduce the number of hours of academic work to 12.

e. Class attendance in physical education shall be subject to the same rules as attendance in other classes of the college, and the uniform cut system shall apply to these classes.

f. Failure to secure credit in physical education during the required period shall automatically extend the requirement, in case of men, into the senior year. In the case of migrant students the Lake Forest requirements shall begin with their residence here.

II. CLASSIFICATION OF STUDENTS.

A. Regular Students.

Seniors must have entrance clear and 89 semester hours or more.
Juniors must have entrance clear and 59 to 88 semester hours.

Sophomores must have entrance clear and 27 to 58 semester hours.
Freshmen must have under 27 semester hours.
(In the above table physical education is not included).

The classification is always based on the total number of hours, and no account is taken of specific deficiencies. No student shall receive a given classification unless he has satisfied the above requirement without condition.

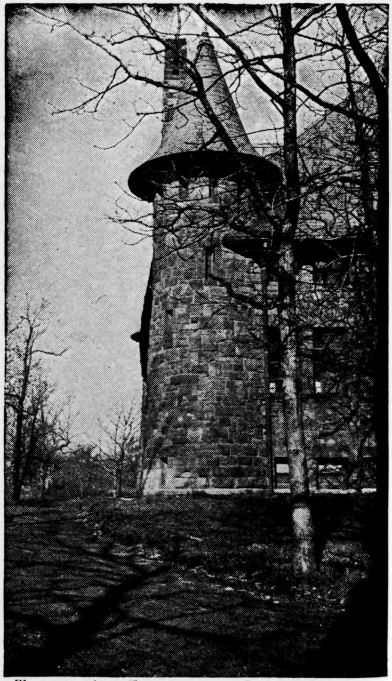
III. EXAMINATIONS, REPORTS AND GRADING.

A. Final examinations. At the end of each semester there shall be devoted exclusively to examinations such time as may be necessary to ensure that no student shall have more than one examination in the same half-day. Within this period the Committee on Schedule shall assign the time for each semester examination, and no examination thus scheduled shall be given at any other time except within the approval of the Committee on Schedule. No student shall be given more than one semester examination in the same course in each semester. For each examination an entire half day shall be set aside: the instructor may use such portion of this time as the nature of his course may make desirable.

B. Condition Examinations.

1. A condition examination is one regularly scheduled at the beginning of the first semester and about a month after the opening of the second semester to allow students an opportunity to remove a condition.

2. Condition examinations may be taken only by those students who have passed in



Tower, the Gymnasium, South Campus

at least 8 hours of work during the semester which the condition was incurred.

3. Any condition may be removed by a first or second condition examination, provided, either or both examinations are taken within one year after the condition was incurred. If the condition is removed the grade becomes **D.** If the condition is not removed within one year, the grade becomes **E.**

4. Any student who, because of illness or other sufficient reason, is unable to take the condition examination, constitutes a special case. Such cases shall be referred to the dean and the instructors concerned with power.

C. Special Examinations.

There shall be a fee of $3.00 for any special examinations.

A special examination is any term examination taken at other than the appointed time; e. g. examinations taken to satisfy the instructor that certain preliminary ground has been covered; examinations taken to secure credit for work systematically prepared outside the college and which the college does not offer; examinations given to those who have to leave college before the close of the semester.

D. Senior Exemption.

Seniors with 105 credit points at the end of the first semester who maintain a **B** average throughout the second semester may be excused by their instructors from final examinations.

E. Grades.

1. **The official grades** shall be A, B, C, D, E, X, I, and W. These may be divided as follows:

A—Excellent.
B—Good.

C—Fair.
D—Poor.
E—Failure.
X—Condition.
I —Incomplete.
W—Withdrawn.

If a student whose semester's work in a course is above passing does not take the final examination for a reason satisfactory to the instructor, or is in arrears in certain required work for cause satisfactory to the instructor, he may be given a grade of incomplete in the course. This grade may be removed whenever the work is completed to the satisfaction of the instructor and shall not be prejudicial to the student's final average. It carries no disability for one academic month and then becomes **X.**

2. Students who leave college during the semester receive **W** in the studies pursued if their work is, at the time, above passing grade.

3. If a student registers for a course he must receive one of the above grades for that course upon his permanent record.

IV. ABSENCES.

A. Reporting of Absences. The student is expected to enroll himself in the first meeting of each course he is to pursue. Absences will be counted from the first exercise whether the student has enrolled or not, unless exception is made by the dean.

B. Absences Before and After Holidays. Students absent from the last class or laboratory exercise preceding a recess or holiday or from the first class or laboratory exercise following a recess or holiday shall pay a fine of two dollars (2.00) in each course in which such absence shall occur. The

regular rules applying to absences and cuts before and after holidays apply to days preceeding and following athletic trips to those making the trips.

C. Excused Absences. Absences shall be excused only when arranged for by college authorities, or in case of sickness covered by physician's certificate of incapacity, or personal or family misfortune of such a nature as to necessitate the presence of the student elsewhere. In any such case the excuse must be submitted within 3 academic days after return to classes. Men's excuses are submitted to the dean of men; women's excuses to the dean of women.

D. Uniform Cut System. If the number of unexcused absences in any one course exceeds the number of credits which the course carries, the student is automatically dropped from the class. Reinstatement in class may be accomplished by a written recommendation by the instructor, and payment of $2.00 re-registration fee to the comptroller. The comptroller's receipt for this fee must be presented to the instructor as a card of readmissison.

This reinstatement regulation must be complied with before the expiration of the third academic day following the date of the notice announcing that the student has been dropped from the class. Upon being thus reinstated, the student re-enters the class without allowance of cuts. Each subsequent unexcused cut throughout the semester thus necessitates re-registration.

If a student who has been dropped from a class is denied recommendation for readmission by the instructor, or himself elects not to re-register for the course, he is graded **E** for the course immediately.

F. Absences from Chapel.

1. Chapel attendance is required of all students, and counts 2 credits per semester.

2. If a student has more than six unexcused absences from chapel in a semester, he receives but one credit; while if his unexcused absences exceed nine he receives no credit.

3. Chapel credits lost must be made up by double the number of hours passed in regular college courses. Thus a student at the end of senior year with 16 chapel credits, needs 120 hours to graduate; while one with but 14 chapel credits must have 124 hours to graduate.

4. A student who in any semester, passes 8 hours and fails to get full chapel credit is dropped from college.

5. Failure to get full chapel credit in any semester debars a student from participation in any college activity during the following semester.

V. HONORS.

A. Commencement Honors.

At the commencement exercises honors will be awarded on the following basis:

(1) High honors, given to all students attaining an average equivalent to two-thirds **A** and one-third **B** in the work of the preceding year.

(2) Honors, given to all students attaining an average of **B** in the work of the preceding year.

(3) Departmental Honors, given to members of the graduating class who have won high distinction in the work of the department in which they have taken their major.

B. First Semester Honors.

As soon as possible after the opening of the second semester of each year, the President shall read in chapel the names of the first group (said group not to exceed 20 per cent of the class) in scholarship rank for the first semester for each group of the four college classes, the names to be arranged in each group alphabetically and not in order of scholarship, provided that no student shall be included whose average for the first semester is less than **C**.

C. Shield Honors.

Shield Honors are awarded to the four students of the graduating class who have the highest scholastic average in all work done at Lake Forest College; but a student who has entered with advanced credits shall not be eligible for the Shield Honors unless he has been a resident of Lake Forest College for at least two years and unless his grades for the period of his residence average higher than the grades during the same period of all other possible candidates for the honor.

VI. STUDENT ACTIVITIES

A. Eligibility.

In order to be eligible for participation in any student activity a student must have passed (received a grade of **A, B, C**, or, **D** only) in at least 12 hours of academic work for the last semester in attendance at Lake Forest College or any other accredited college or university. This rule shall apply to all students except those who are beginning college work for the first time; for such students the eligibility requirement of 12 hours shall become operative at the close of the first two months of the semester, but this is not

to be constructed as limiting in any way the disciplinary power of the faculty to deal with special cases of deficient scholarship during the first two months. Freshmen who become ineligible at the end of the first two months in the first semester will remain ineligible until the end of that semester. Students ineligible because of conditions may regain eligibility by a removal of the conditions on the day or days scheduled for condition examinations. The names of all students participating in any student activity shall be reported to the dean by the faculty adviser connected therewith, and the administration of this rule is in the hands of the dean.

B. Point System.

Except by special action of the faculty no student shall hold the positions of more than three of the following offices simultaneously, only two of which may be majors.

Major Officers.

1. Captains and managers of the intercollegiate football, basketball, baseball and track teams.
2. Editors-in-chief and business managers of The Stentor, Forester, and Handbook.
3. Presidents of the senior class, the Student Association, the Athletic Board of Control.
4. The leading man and woman of the Garrick plays.
5. The chairman of the May Day Festival and the house president of Lois Durand Hall.

Minor Officers.

1. The assistant editor of The Stentor.
2. The president, business, publicity and stage managers of the Garrick Players.
3. The presidents of the Y. W. C. A., Y. M. C. A., Pan Hellenic Council, and the junior, sophomore, and freshman classes.

4. The social secretary of Lois Durand Hall, the chairman of Dad's Day Committee, and the chairman of the Junior Prom Committee.

In the application of this rule it is understood that a student elected or chosen for any position shall be considered as holding that position during the usual term.

THE ALMA MATER

Lake Forest, dear, our Alma Mater,
Thy praise we sing with heart and voice.
Thy Red and Black floats proudly o'er us,
While in thy glory we rejoice.
As stand thy brave old trees about thee,
Strong as the lake's fierce waves in storm,
So stand thy children to defend thee,
While love in every heart beats warm.

Beneath thy forest shades reclining,
We gather knowledge at thy feet;
The happy days pass all too quickly,
With friendship bright and pleasure sweet.
And, though in after years, life's striving
Shall change our joys to care and pain,
The love of friends and Alma Mater
Our richest treasures shall remain.

Lake Forest, when farwell we bid thee,
And from thy college halls depart,
As when by land or sea divided,
The love of country fills the heart;
When courage fails, and hopes are dying.
Our thoughts shall ever turn to thee;
Our watchword be, till time is ended,
"For God, Lake Forest, Victory."

—Alvah W. Doran, '93.

O ALMA MATER

1. O Alma Mater, ever kind,
Thy power is still prevailing;
Thy children scattered far and near
Proclaim thy love unfailing.
Within thy walls, days bright and brief
We loitered, spirits blending,
And learned of wisdom, joy, and love,
Nor feared the world's contending.

CHORUS.

Dear Alma Mater, noble, fair,
Thy stately grace and beauty
Binds all our loyal hearts to thee,
Unites our life and duty.

2. Thy winding paths and wind-swept shores,
Thy life poured out undoubting,
Our spirits cheer, our souls revive,
By mem'ries fond recounting.
In busy mart, at sacred fane,
Our hearts are onward pressing,
Toward truth's far goal, where God reveals
To each, His hidden blessing.

CHORUS.

3. Through all the world we wave unfurled
Thy banner brave and glorious,
Our hearts aflame, our hands upheld
By faith and power victorious.
All, all our crowns we gladly bring,
And praises to thee render,
For thou hast taught our eyes to see
God's truth in all its splendor.

CHORUS.

—Calvin H. French, '88.

TO ALMA MATER

(Tune: "Flemming")

To Alma Mater
Let our songs ascending
Form one harmonious strain
In her praise unending,
Lake Forest, may thy sons
To thy fame attending,
Faithful and loyal be!

Now while we dwell
Within thy halls of learning
And in the after years
Back to thee turning,
Thy standard shall lead on,
And the truth discerning,
Increase our loyalty!

—D. T. Howard, '07.

CHEER LAKE FOREST

When Lake Forest marches on the field,
They are out to win the fray.
While they fight, fight, fight, with all their might,
We will cheer them on their way,
Rah, rah, rah!

Loyal hearts, steadfast and true,
No matter where e'er they may be,
'Till the battle is won, we will cheer the team on,
For Lake Forest and victory.
Rah, rah!

—F. Colton Chunn, '29.

A SONG FOR OLD LAKE FOREST

(Tune: "Orange and Black")

Here's a song for old Lake Forest,
Where life is free from care;
Where nature smiles serenely,
And spring is bright and fair.
To the halls of Alma Mater
We owe our loyalty,
And the dear, old sons of L. F. C.
Shall ne'er forgotten be.

Where e'er our journey leads us
O'er life's untrodden way,
Lake Forest, ever with us
Thy memory shall stay.
And the friends so tried and faithful
Shall lead us back to thee,
And the dear, old sons of L. F. C.
Shall ne'er forgotten be.

—Delton T. Howard ,'07.

THE FIGHT SONG

Fight for Lake Forest,
Fight for the Red and the Black;
We'll take the ball
Right through them all:
Nothing can hold us back—
Fight,
fight,
fight!
We'll stand together,
Loyal and ever true;
We'll fight, fight, fight,
For Lake Forest:
Fight for old L. F. U.!
(repeat)

—Lucius Lobdell, '23.

STAND UP FOR OLD LAKE FOREST

Stand up and cheer:
Stand up and cheer for old Lake Forest,
For today we raise
The Red-and-Black above the rest.
Rah! rah! rah!
Our boys are fighting—
They are out to win the fray;
We've got the team, rah! rah!
We've got the steam, rah! rah!
This is old Lake Forest's day!

—Adapted by Dr. Bruce Lineburg.

Traditions and Customs

Sophomore class proclamation: Most closely observed of Lake Forest traditions and customs are the rulings of the sophomore class in regard to freshman conduct. Made known to the first-year men through "proclamations" sold as soon as school opens, the dictates are as follows: The freshman shall

1. Have regard and respect for the traditions of the college and lend his support to all activities.
2. Learn the Alma Mater and memorize the commandments.
3. Cross the campus on the paths only and keep off the grass.
4. Refrain from sitting on campus benches.
5. Not smoke on the campus.
6. Not smoke in the Commons during the entire freshman year.
7. Attend all chapel services in a coat and tie.
8. Remain standing in chapel until all other students have passed out.
9. Wear starched, clean, white linen collars with a green bow tie at all evening meals and Sunday (noon) dinner at Commons.
10. Wear the regulation green cap, sold by the sophomores, at all times in the city of Lake Forest.

Rules 3, 5, 8, and 9 are usually repealed after the Christmas holidays. The others are in force throughout the year.

Hazing:..This tradition is carried out to a small degree as compared with the days of old and the entering student should not come with fear of being "hazed." The freshman who has his green hat and pays attention to the sophomore rulings need not worry about suffering from any personal "initiation" or maltreatment.

The College and the city of Lake Forest, for a great many years have enjoyed the closest co-operation and it has become customary courtesy that each student treat all townspeople with respect, be strictly honest in all relations with local businessmen, exercise restraint in conduct when immediate desires might prove disturbing to townspersons, and maintain a respect for all town (and college) property.

The spirit of the school is, perhaps, at no other time and no other place shown so advantageously and so expressively as on the athletic field, and second only in evidence to the prowess of the players is the conduct of the spectator student-body. Student attitude can do a great deal, too, in deciding the outcome of a game. Especially is the spectators conduct noticed by visiting athletes and visitors of the college, and it is often in this short interval that lasting impressions are made of the college, its teams, and its student body. It has become, in consequence, customary and traditional that the student body of Lake Forest College show every courtesy, respect, and appreciation to all contestants, officials, and rooters for the opposing teams.

The freshman-sophomore tug of war would be an interesting feature and addition to the college traditions. This contest would show the prowess or superiority of either the freshman or sophomore class. All that is required is a good stout rope and a muddy pond. With the freshman on one side of the pond and the sophomores on the other, it would be a case of which class would be able to drag the other through the mud. To make it doubly interesting a spray of water could be kept running at the dividing line.

The freshman beach party is held at the beginning of every school year. This is one evening that the sophomores leave the freshmen to themselves.

The freshman issue of the Stentor is usually published sometime in the winter. The exact date rests with the editor. The sophomores also issue an edition during the year.

Bonfire: It is traditional that on both Homecoming and Dads' Day that the freshmen collect and build a bonfire at the east end of the Commons. This is fired after dinner.

The College Hall bell: It is customary that a freshman ring the College Hall bell after a football game to announce the victory.

The Alma Mater: At the end of every footbal game, regardless of whether the Red and Black has come out victorious, the band plays and the entire student body stands, heads bared, and sings the Alma Mater. Furthermore, it is the custom that every student remain on the field until the last whistle has blown, regardless of the score or the outcome of the contest.

Parade on Homecoming Day: Homecoming is in November—in which the various campus groups contest for the best decorated float in the parade to Farwell Field. The winning group receives a silver loving cup that is kept for one year and reawarded at the next homecoming.

The annual football banquet, given by the Lake Forest Alumni Association of Chicago in honor of the varsity football team and freshman squad is held in Chicago after the

close of the football season. It is customary that some 300 high school students are also guests. Last year the banquet was held in the Union League Club.

The May Fete, an event omitted in the last three years, was once one of the most colorful of spring events, and should be revived. Three years ago it was held on the library lawn. It is sponsored by the Women's Athletic Association.

Lois Hall "step-sings" are held at various times during the year, usually in spring, when all the girls, attired in colors of their various classes, gather on the Lois Hall steps and sing.

The Lois Hall May breakfast, held on the first day of May, is observed with songs, the girls in class colors, and a brief program after breakfast in the big room.

The Junior Prom, managed by a chairman elected from the junior class, is held in January after the Christmas holidays and is the first formal event of the season. All students may attend. Tickets are usually five dollars per couple.

Formal dances follow throughout the season, the fraternities and sororities each giving biennial affairs. Thus: this year the Kappa Sigma, Phi Pi Epsilon, and Beta Psi fraternities and Theta Psi and Kappa Kappa Chi sororities will entertain. Freshmen as a rule do not receive invitations to these dances with the exception of those in the particular organization that is sponsoring the dance.

The Lois Hall Formal is the last formal event of the year. Whether or not the dress

is strictly formal depends a great deal on the weather. Both the tuxedo and yachting formal are correct as is the summer formal. The Lois Hall formal is a dinner dance.

Informal dances are sponsored by various student organizations throughout the year, usually on Saturday nights, as do the various classes. If admission is charged it is very nominal. The Pan-Hellenic Council and the Student Association also sponsor dances at various intervals..

The Hard times party is held in April in the gymnasium by the Women's Athletic Association (W.A.A.). It is one of the jolliest and most informal of campus social events. It is a dateless affair.

The Junior Bench ceremony, held in early May, symbolizes the the emancipation of the sophomores from upperclassmanship and their entrance into the ranks andprivileges of upperclassmen. The students assemble in the chapel, march out by classes to the bench in front of the College Hall, the juniors present the bench to the sophomores, a member of the faculty speaks, and the ceremony is concluded by the singing of the Alma Mater.

Senior Tree Planting, also held in May, gathers the students around two trees, one for the men, one for the women. The president speaks a few words, and then each member of the senior class throws a shovel-full of soil around the roots of one of the trees. The superintendent of buildings and grounds keeps a chart of the location of each tree and the class that planted it in order that returning graduates may locate their trees and compare, perchance, the growth of their lives with that of the trees.

"Iron Key Tapping," the traditional manner of selecting new members of the junior and senior men's honorary fraternity, is held in chapel near the close of the school year. Members of the order march into chapel and stand in order of their classes before the assemblage. One member goes among the audience seeking the candidate and leads him to the front. The president reviews the candidate's accomplishments and his labors in the interest of the college and his fellow students, and presents him with a black band that he wears throughout the day in appreciation of the honor bestowed upon him. Iron Key is limited to a membership of six seniors and four juniors, except when old members return to school after an absence. Its members are those upperclassmen who have shown "character, scholarship, and unselfish participation in college activities." The new president will be elected this fall.

"Shield honors." Since 1910 it has been the custom every year to inscribe upon an engraved shield, which is later affixed to the east wall of the central room of the library, the names of the four students in each graduating class who rank highest in scholarship. To have one's name engraved upon a shield is to win "shield honors."

"Honor shingles." A new custom started last spring is the awarding to outstanding students of "honor shingles" for unselfish participation in extracurricular activities. These are signed by President Moore and are presented in chapel.

Vaudeville: Started two years ago, with the plan of making it an annual event and thus traditional, the vaudeville, enlisting the

accomplishments of the entire campus and the co-operation of every department, was one of the most successful of student activities. It is managed by a committee appointed by the Student Association.

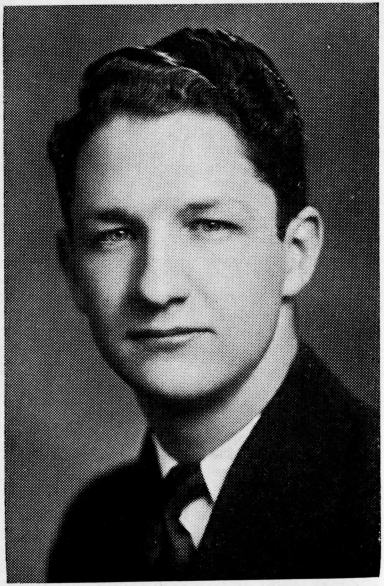
Election Day: The Student Association has charge of all elections. Representatives of the Athletic Board of Control and of the Student Association, class officers and officers of the Executive Committee are elected by ballot three weeks prior to Commencement. Much interest and rivalry is shown between campus groups.

The "Captain's Sweater," first presented by the Athletic Association to Football Captain Fred W. Priestman '26, in 1925, is handed down each year to each succeeding captain of the eleven. It is a heavy red roll-neck sweater and has attached a large block "LF" monogram. Howard Flanchar '27 was the second to receive it, C. Ray Bjorklund, '28, the third, and Lester R. Stang '29, the fourth.

Insignia

The Lake Forest College colors are Red and Black.

Insignia representing varsity awards is the red or red-and-black "LF." "LF" is awarded to captains of all sports and members of teams that fulfill the various requirements stipulated by the Athletic Board of Control. No person who has not won the "LF" is allowed to wear it. Freshmen do not win their letters but a numeral in football and basketball, the numeral representing their class.



JOHN B. KIRBY, '30
President of the Executive Committee of the Student Association.

Student Social Functions

Procedure for social groups planning to entertain:

1. Secure approval and date from the social committee.

2. Arrange for use of the Henry C. Durand Institute with the comptroller's office. The social committee must approve when an organization chooses to entertain off the campus or out of Lake Forest.

3. Chaperons: chaperons may be members of the faculty, parents, townspeople, or alumni. Usually two married couples are necessary, one of which should be members of the faculty. In inviting them be sure to make it clear that you want them to chaperon. A call is the most courteous form of invitation. Do not forget to thank them at the close of the evening. (Chaperons should report failure to close the function promptly or violations of the standard of dancing to the Social Committee; other matters to the host or hostesses or to the Student Association.

4. Patrons and patronesses at a formal dance are guests whom you wish to honor especially. A call is the most courteous form of invitation. Do not forget to thank them at the close of the evening. It is courteous to provide an escort or a taxicab for chaperons and patrons. Patrons and patronesses usually stand in the receiving line with the chaperons and hosts.

5. Invitations to formal dances should be engraved or written and should be sent out two or three weeks before the dance. Acceptances or regrets should be sent promptly. Suggestions for the invitation list include fac-

ulty members, administrative officers, trustees, President of the Alumni Association.

Invitations to informal dances may be given by announcement in chapel or by personal invitation. In the case of faculty members or especially invited guests, written or personal invitations are better. Invitations should be given at least two weeks before the party.

6. Hosts and hostesses at a formal or informal party are the officers or a committee of the organization. Their duties are: to be present early enough to receive the first guests; to head the receiving line; to make introductions when necessary; to try to see that everyone present has a good time; and at the close of the evening, to stand with the chaperons and say good-bye to the guests.

7. Student guests arriving at an informal or at a formal after the receiving line has broken up, should speak to the hosts and chaperons as soon as they arrive, and to patrons, members of the faculty, and other special guests at some time during the evening. When you are leaving, do not forget to thank your hosts for a pleasant evening.

8. For the list of patrons and chaperons printed in a program, uniformity in the use of titles and initials is desirable. It is courteous to make out programs for the chaperons, in order to have one student couple ready to help entertain special guests, to greet latecomers, and to have general oversight during each dance.

9. Please co-operate with the Social Committee and the Student Association by taking the responsibility for closing the party at the hour specified; by striving to maintain high standards in music, dancing and general conduct.

10. All borrowed furniture and furnishings should be returned in good condition at the earliest possible moment.

If decorating at the Institute requires the presence of girls in the evening, the Dean of Women **should** be informed.

CALENDAR FOR ALL EXTRA-CURRICULAR EVENTS.

A. To avoid congestion of social events at any period of the year, student organizations are required to submit to the Social Committee for approval, tentative dates for all formal dances, plays, debates, concerts, and other extra-curricular events (except as noted in paragraph 2) to be held during a semester, within three (3) weeks after the opening of the first semester, and within two (2) weeks after the opening of the second semester. The Committee will then arrange and publish the calendar for that semester and place on file in the office of the President of the College.

B. In case of informal social events all arrangements must be made not less than four (4) weeks in advance of the event. The necessary arrangements include consent of the Social Committee and the procuring of the hall to be used.

C. All social functions are to be held on the campus except by special permission of the Social Committee.

D. Chaperons for all social functions must be approved by the Dean of Women, and must, when possible, have indicated their acceptance as chaperons to her not less than three (3) weeks before the event. The responsibilities of chaperons are to remain

throughout the hours specified, to assist those giving the function in making it a success, and to supervise dancing and general conduct.

E. Informal parties must close at 12:00 midnight; formal dances on Friday nights at 2:00 a. m.; formal dances on Saturday at 12:00 midnight; the Junior Prom at 2:00 a. m.

F. No smoking is permitted in the Henry C. Durand Institute except in the room set aside for that purpose.

G. Women are not permitted back of the stage or in any part of the basement of the Institute.

Rules for Participation

To participate in any extra-curricular activity a student who has been in attendance in Lake Forest one semester or in some other school must have a passing grade in a minimum of twelve hours. Students who are attending college for the first time will not come under the jurisdiction of this ruling until two months have passed. However, this does not prevent the faculty from dealing with cases of deficient scholarship during the first two months of school. Students ineligible because of conditions may regain eligibility by taking a special examination. All activities are under the guidance of faculty advisers who are in turn directly responsible to the dean.

Failure of a student to get full chapel credit in any semester debars him from participating in any student activity during the following semester.

Student Organizations

STUDENT ASSOCIATION EXECUTIVE COMMITTEE

President ..... John B. Kirby '30
Vice-President ..... Frederick H. Haye '30
Secretary ..... Mabel E. Propper '30

JUNIOR REPRESENTATIVES

LaVerne A. Dixon Ida F. Duke

SOPHOMORE REPRESENTATIVES

James P. Tyrrell

The Student Association of Lake Forest College is the governing body of the students and consists of five students who are chosen at the spring election by the whole student body. The officers of the Executive Committee are seniors. The junior class have two representatives and the sophomores one.

Although the Association works under the supervision of the faculty and the dean, the power vested in it gives it complete supervision over the various campus activities such as the appointment of committee chairmen, etc. It is the disciplinary and governmental power of the student body. Its constitution defines its purpose and scope in detail.

PAN-HELLENIC COUNCIL

The Pan-Hellenic Council, composed of a junior and senior representative from each organized social group on the campus acts as a medium for the solution of any grievances that may arise between the various social organizations. The council enforces the rushing rules for the fraternities and sororities and works for better feeling and harmony between these groups.

FRESHMAN EXECUTIVE COMMITTEE

The Executive Committee, composed of outstanding members of the freshman class, works under the direction of the Student Association, to encourage first-year students to enter into the life of the college, participate in its activities, and show their talents to the school. The committee plans the social calendar of the class and conducts a chapel program, usually twice a month, in which only freshmen participate. Harold G. Hernly, '30, was the first chairman, and Charles G. Steele, '31, the second, Claude E. Cook, '32, the third.

JUNIOR PROMENADE COMMITTEE

Chairman ..... Wesley G. Carey

The Junior Promenade Committee, to be selected by the chairman, who is elected in the spring by the new junior class, usually numbers from five to eight members. They are directly responsible for the success of the year's first formal event which is held in January. This year's will be the thirtieth annual promenade.

DADS' DAY COMMITTEE

The Dads' Day Committee, chosen by a chairman who is appointed by the Student Association, depends in size upon the discretion of the chairman and varies from three to six members. The committee plans the program for the day and is host to the four hundred or more mothers and dads that take advantage of the opportunity to visit the campus and see how their sons and daughters spend their days.

Dads' Day is an event as popular as Homecoming. The program-of-the-day usually consists of a luncheon at Lois Durand Hall, an auto tour of Lake Forest estates, a parade to Farwell Field by the student body, a football game, faculty reception in the library, dinner at the Commons, the bonfire at the east end of the Commons, and a play by the Garrick Players. The fraternities and sororities have open houses all day.

Dad's Day this year will be on Saturday, Nov. 2, when Lake Forest will play Northwestern College.

HOMECOMING COMMITTEE

Like the Dads' Day chairman, the Homecoming chairman is also chosen by the Student Association in the fall. He in turn chooses his committee that varies in size. The committee under the direction of the chairman plans the program of the day, endeavors to make the alumni feel as students once again, and arranges accommodations for those desiring to stay over the weekend. The Homecoming program includes Saturday luncheon, a parade, with contesting floats to Farwell Field, the football game, open house in the fraternities and sororities, dinner at the Commons, and either a play or dance in the Durand Institute.

This fall Lake Forest College will celebrate its fifty-third anniversary and annual Homecoming festivities on Saturday, Oct. 12, when the Red and Black will play Knox on Farwell Field.

STUDENTS' DAY

To acquaint students who propose coming to Lake Forest with the campus, the stu-

dents, and campus life, Students Day is held in last week in May. Invitations are sent to high school students within a radius of some (200) two hundred miles and to all applicants who have indicated an interest in Lake Forest. Students' Day will be observed in May, 1930, as a day filed with college activity that the guests may glimpse a bit of real college life. The day of varied events begins with a luncheon at noon. Then follow a tennis match, a baseball game, and open houses in the campus groups. Dinner is at six. A play and a dance complete the day, with spreads for girls staying over in the Hall and smokers for the men on south campus.

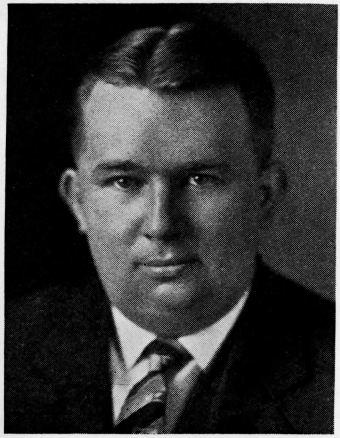
The day is managed by a committee picked by a chairman who is in turn selected by the Association and will come next spring on May 17.

COMMENCEMENT

Commencement activities usually begin about the second week in June and continue for two days. A week previous the president entertains the senior class at a dinner. The Friday preceding commencement is designated as Alumni Day, with a baseball game between the college varsity and the alumni, and the senior dance at night, after the alumni dinner, in the Henry C. Durand Institute. The Sunday preceding the commencement the baccalaureate service is held in the Lake Forest Presbyterian Church. Commencement is on Saturday, in the Reid Chapel.

The calendar this year for the fifty-second commencement is:

June 1, Sunday—Baccalaureate
June 7, Saturday—Commencement



RUSSELL C. TOMLINSON
Director

THE GARRICK PLAYERS

President ..... Edwin L. Bulow, '30

This fall The Garrick Players will enter their twenty-eighth season as one of the most outstanding little theatre groups in the United States. There are two features in the organization that are different: they are the

only group that present every year the freshmen in a play, and they are the only players from a small college that every spring go on tour with all their own equipment. The Players have always been a democratic organization and any student regardless of his class in college who completes the two requirements may be voted a member. He must have participated in four plays: either on the stage or on the production staff; and must have completed or be enrolled in the course in stagecraft. The Players produce ten or more plays a year in Lake Forest.

Mr. Russell C. Tomlinson is director and Edwin L. Bulow, '30 is president.

SCOROMOR

President ..... **Julia K. Ipsen, '30**
Adviser ..... Prof. Ford

Scoromor is an organization that fills up the place which only such a literary club can fill in the life of a college. Its purpose is to encourage the reading of good literature by the students, and also to encourage them to try their hands at writing. Much time and effort is given over to the reading and criticism of original papers. New members are admitted when they submit an original paper which is satisfactory to the members of the club. Freshman are not admitted until the end of their first year.

SAMUEL FRENCH
Incorporated 1898

THOS. R. EDWARDS, Mgr. Dr.,
25 W. 45th St. New York

Musical Organizations

Director ..... Walter S. Armbruster

The musical organizations of Lake Forest College are both select and outstanding. Under the direction of Walter S. Armbruster, the College Glee Club, the Chapel Choir, the College Orchestra and the College Band are all very capable groups in their respective fields. Dance orchestras are formed every year by student musicians and play for the various informal affairs of the year.

THE COLLEGE GLEE CLUB

The Glee Club continues to be popular on the campus. As many as fifty or sixty students participate. The Glee Club is open to all students of the College who are interested in Glee Club work and offers excellent opportunities for the student who likes vocal music. Concerts are given both in Lake Forest and surrounding territory.

THE CHAPEL CHOIR

The Chapel Choir, composed of the best voices of the College, is made up of sixteen members. The organization is self-governing and new members are elected only when there is a vacancy caused by graduating seniors or a withdrawal. The choir sings at all regular chapel services.

THE COLLEGE ORCHESTRA

The orchestra takes an important part in the life of the College, playing for all Garrick productions and giving various concerts at different times during the year. The organization is somposed of soloists with each member exceptional in his line. It is usually composed of twenty or thirty pieces. Membership is open to all students who are interested in orchestra training.

THE COLLEGE BAND

The college is indebted to President and Mrs. Moore for the band. Their generous gift of $1000 made possible the purchasing of the first instruments. The band rehearses once a week in the practice room on the top floor of College Hall, and plays at all football and basketball games attired in brilliant red sweaters. The entire student body stands, heads bared, and sings when the band plays the Alma Mater at the close of each football game on Farwell Field.

Main Gateway, South Campus

Campus Publications

Publications on the Lake Forest campus include The Stentor, the weekly newspaper; The Forester, the annual published by the Junior class; The Handbook, published by college and edited by a senior; The Handbook, published by the college and edited by a student; and the College Bulletins.

THE STENTOR

Editor ..... **Frederick H. Haye, '30**
Business Manager ..... Samuel J. Ditto, '30

The Stentor, published every Tuesday, has its subscription covered by the college activity fee, and is thus received by every registered student. The editorial and other sections of the paper are always open to the expression of student opinion. Any student is eligible to write as a reporter, and after completing one year's work in that capacity is eligible for election to the board of editors. The editor is chosen each spring from the board by the Board of Publications of which Dr. George A. Wood is chairman.

All persons contributing to The Stentor must sign their articles and have them in the hands of the editor by Saturday night preceding publication.

The Stentor is a member of The Illinois College Press Association.

THE FORESTER

Editor ..... **D. Dale Ashton**
Bsiness Manager ..... **August Calcagno**

The Forester, the college yearbook, is published toward the end of the spring term each year by the college and edited by a senior. It contains a catalogue of all the various

class and college organizations, athletic records, literary matter, and humor. Its chief features include group pictures of all the various college activities, individual pictures of members of the faculty, class officers, and junior and seniors, a popularity section, a section of campus views, and snapshots of the humorous side of college life. The Forester becomes in after years a priceless record of college days.

The editor and business manager are selected by the Board of Publications.

THE STUDENT HANDBOOK

Editor ..... **John A. Komar, '31**
Assistant ..... **A. Chollet Perkins, '31**
Assistant ..... **James P. Tyrrell, '32**

The Student Handbook, published by the college, is distributed free of charge to all new students as a compact collection of Lake Forest fact, tradition, and organization necessary to the orientation of every incoming undergraduate. It is intended to be not only a record of college lore and traditions and forms, but a handy reference for all the year. The editor is chosen by the administration.

THE COLLEGE BULLETINS

The various publications of the college included under the heading "bulletins" are the catalogue, the descriptive leaflets, the Alumni Bulletin, etc. These are issued at intervals during the year by different departments, the catalogue every spring, the leaflets each spring, and the Alumni Bulletin every month. The Alumni Bulletin is mailed to every alumnus of the college.

The Coaching Staff

Director ..... Ira D. MacIntosh

As director and head coach of football Ira D. MacIntosh has full charge of Lake Forest's athletic activities. This is his third year at Lake Forest. Previously he held the position of assistant for two years and had charge of freshman athletics and varsity track. Last fall he coached the freshman football team to an undefeated season. He is a graduate of Rhode Island State College and prior to his coming to Lake Forest he had one year of experience in Warwick High School, two at Rhode Island State College and four years' of professional football with the Providence Steam Rollers.

Assistant Director ..... David Adair

The assistant director will be head coach of baseball besides assisting Coach MacIntosh in the other sports. The new assistant was formerly head coach of football, basketball, and baseball at Ashtabula Harbor High, Ashtabula, Ohio, where he had wonderful success with his teams. Mr. Adair attended Providence College for one year and then transfered to Cedarville College, Cedarville, Ohio, where he received his B.A. degree. While in college Coach Adair received twelve varsity letters in football, basketball and baseball.

Athletic Facilities

The Lake Forest athletic plant consists of the gymnasium, a solid brown-stone building. on south campus, Farwell Field, located several minutes' walk from the campus, on a tract of seven acres, given by the late Senator C. B. Farwell, one of the earliest friends and benefactors of the college; and the practice field, on the south campus just east of the Calvin Durand Commons, used for intramural baseball and women's athletics. The tennis courts for men adjoin the gymnasium; those for women are on the north campus, east of the Henry C. Durand Institute. There is a six-hole golf course on the campus; the first hole is at the south end of college hall.

Athletic Board of Control

The Athletic Board of Control is chosen from the student body by popular election and represents the student body in all questions of athletics on the Lake Forest campus and in interscholastic relations. The board is composed of five students, faculty chairman of the athletic committee, Dr. Bruce Lineburg, the director of athletics, Coach MacIntosh, and the graduate manager, Philip C. Allen. All members of the coaching staff are members **ex-officio** without voting power.

The duties of the board are to approve of team managers and elect them at the close of each sports particular season; award letters during the week following the last game of the season, and elect from the lettermen a new captain for the ensuing year.

Freshman Athletics

PHYSICAL EDUCATION

Physical training in the gymnasium and out of doors is required of all freshmen and sophomore men, two hours a week. Physical education classes are subject to the usual regulations regarding absences and quality of work. Students are excused from physical education only upon a physician's recommendation. Freshmen and sophomores who have their classes deferred because of a conflict in their daily schedules must complete the eight semester hours of work before graduation. Students participating during a semester in a college sport are automatically excused from physical training for that semester only.

FRESHMAN TEAMS

Lake Forest, as have most of the other leading schools, has the "freshman ruling" that bars any freshman from varsity athletics until he has been in attendance one year. The purpose of the freshman football team is to provide and train reserve material for future varsity teams and to learn the plays of opposing teams and use them on the varsity. Last fall the frosh were undefeated in football with no other mar on its record than a 6-6 tie with Fort Sheridan. For the five games the frosh piled up a total of 97 points as against their opponents 19.

FOOTBALL SCORES

Lake Forest Frosh, 21—Libertyville, 0.
Lake Forest Frosh, 6—Fort Sheridan, 6.
Lake Forest Frosh, 19—Great Lakes, 0.
Lake Forest Frosh, 32—Mil. Univ. School, 7.
Lake Forest Frosh, 19—Beloit Frosh, 6.

Freshman basketball will serve the same purpose as will freshman football—that of scriminaging and strengthening the varsity. Six games were played last season, three were won and three were lost.

BASKETBALL SCORES

Lake Forest Frosh, 28—Libertyville, 20.
Lake Forest Frosh, 29—Class of 1931, 24.
Lake Forest Frosh, 18—DePaul Frosh, 44.
Lake Forest Frosh, 26—Fort Sheridan, 4.
Lake Forest Frosh, 16—Northwest Acad., 26.
Lake Forest Frosh, 21—DePaul Frosh, 47.

FRESHMAN AWARDS

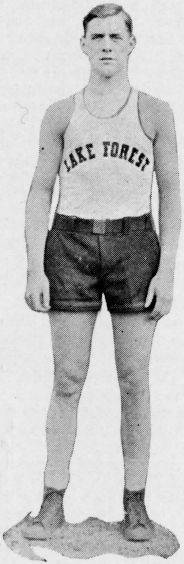
Freshmen are awarded a sweater and their numerals according to Article X of the constitution of the Lake Forest College Athletic Board of Control:

"1. The freshman football and basketball awards shall be black, baby shaker-knit crew-neck sweaters with two three-and-one-half inch class numerals (this year they will be "32") sewed on each.

"2. The award is made upon the recommendation of the freshman coach, which has been approved by the Athletic Board of Control, provided the awardee is passing in twelve hours of college work with at least six hours of "C" grade at the end of the first semester.

"3. No man may be given more than one sweater.

"4. All men entering college with advanced standing, but not eligible for varsity competition, may play freshman football and basketball, and upon meeting all the requirements shall be given the regulation freshman award with numerals to indicate their particular graduating class."



DAVID D. ASHTON
Basketball Captain

MANAGERIAL PLAN

Any number of freshmen may compete for freshman managership of any freshman teams. From these managers two will be picked to act as assistant managers in their sophomore years. Of these two sophomore managers one shall be picked to act as manager in his junior year. Any sophomore is also eligible to compete for managership of freshman teams.

VARSITY SPORTS

Varsity sports in Lake Forest are football, basketball, baseball, track, cross-country, and tennis. They are carried on under the jurisdiction of the Athletic Board of Control. Captains and managers for the 1929-30 season, chosen at the end of the season of each particular sport, are:

CAPTAINS

Football ..... Herbert L. Ferner, '30
Basketball .....D. Dale Ashton, '30
Baseball ..... Chester B. Rostkowski, '30
Track ..... Guy F. Williams, '30
Tennis ..... Lyle A. Wilkins, '30
Cross Country ..... Joseph A. Hayes, '31

MANAGERS

Football ..... Charles G. Steele, '31
Basketball ..... John R. Amacker, '30
Baseball ..... Samuel J. Ditto, '30
Track ..... Clarence F. Anglese, '30

MANAGERS AND CAPTAINS

The selection of manager and captains for all college athletic teams are subject to these articles in the constitution of the Athletic Board of Control:

ARTICLE V.

Eligibility of Managers

1. No person shall be eligible for selection as manager or assistant manager who is not a registered student in good standing.

2. No person is eligible for the managership of a given sport who has won a player's letter in that sport.

3. Whenever possible a senior shall be elected to the position of manager.

4. No person is eligible for manager in any sport who has not served one season as assistant manager in that sport. Should no one be eligible in accordance with the above requirements, the Athletic Board of Control may appoint whom they see fit.

5. Managers and assistant manager shall be elected by the Board of Control immediately after the close of the season of the sport in which said managers are to be elected.

6. Each manager under supervision of the student manager of athletics shall be charged with the safe-keeping of the movable equipment of the team. The manager of each sport shall require each member to receipt for all equipment turned over to him, and shall hold him responsible for its safe-keeping and return. Following the last contest in each sport the manager shall give account to the student manager for all equipment entrusted to his care during the season of that sport.

7. The assistant manager shall work under the direction of the manager and shall be under the supervision of the Board of Control.

8. No person shall be manager of the same sport two years consecutively unless extenuating circumstances necessitate his re-election.

ARTICLE VI.
Captains

1. The Athletic Board of Control shall meet during the week following the last game of each season and award letters. Within the week following the awarding of letters those

men to whom letters have been awarded shall elect from their own number, that is, from among the membership of the letter-men of the season just concluded, a captain for the following year.

2. The captain shall have been a resident of the college at least two consecutive semesters.

3. In football the men eligible for the captaincy must have 59 or more semester hours of credit at the close of the football season. In case there are none fulfilling this requirement the next eligible men are those with 27 or more semester hours of credit at the close of the football season.

4. In Basketball, Baseball, Track, and Tennis, the men eligible for the captaincy shall have 74 or more semester hours of credit at the close of the season; but in case there are none fulfilling this requirement, the next eligible men are those with 42 or more semester hours of credit at the close of the season.

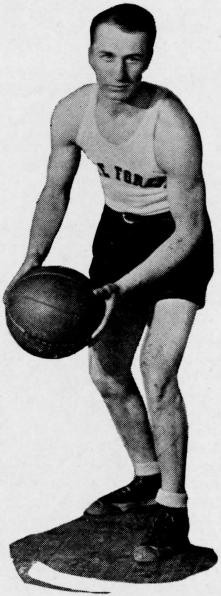
5. No person shall hold the captaincy two years consecutively in one sport except under extenuating circumstances, the merits of which the Board of Control shall determine.

6. The men eligible to vote for Captain shall be called together to cast their votes in the presence of the Board whenever possible.

7. The method of election shall be as follows: to each person entitled to a vote a card shall be sent upon which appears the names of all candidates eligible for election.

8. When a captain is elected thus by the members of an athletic team, such election shall not be valid and final until ratified by the Board.

9. In the event that a duly elected captain fails to return to college, the Board shall proceed immediately, before the first game or contest, to the election of another captain.



"FROSTY" FERZACCA
Voted Best All-Round Athlete

PARTICIPATION IN SPORTS

The eligibility of any student to participate in any collegiate sport shall be subject to the ruling of the faculty of the college.

Varsity Awards

1. The award in football shall be a red (cardinal) V-neck shaker-knit sweater with an eight-inch block LF monogram.
2. The award in basketball shall be a red (cardinal) V-neck sweater with a seven-inch block LF monogram.
3. The award in baseball shall be a red (cardinal) coat shaker-knit sweater with a seven-inch flanged monogram.
4. The award in track shall be a white shaker-knit U-neck sweater with a seven-inch red fluted monogram trimmed in black attached. It shall also have a red-and-black stripe on the left arm.
5. The cross-country award shall be a white baby shaker-knit crew-neck sweater with a 5-inch fluted red monogram trimmed in black attached. It shall also have a red and black stripe on the left arm.
6. The award in tennis shall be a white medium-weight V-neck sweater with a neck-band of red and black and a 4-inch red L.F. monogram trimmed in black attached.
7. The monogram to be awarded a captain in any sport shall be the same type as that awarded in that sport but instead of being solid color shall be a red letter trimmed in black.
8. A manager's monogram shall be the same as that awarded in the sport in which he is manager, with a small "M" attached, the color of the "M" being opposite to that of the letter awarded in his sport.

9. An "L.F." winner shall receive a sweater in each sport in which he has won a monogram but under no conditions more than one.

10. A captain shall receive a sweater each year that he holds office.

11. A white star shall be placed on the vertical bar of the "F," or wherever in a given sport it seems most suitable to the monogram awarded, for each year of service as a letter man in a given sport.

ARTICLE IX.

Awarding of Varsity Letters

1. Only competition with teams of recognized athletic standing in any given sport will contribute to the awarding of a letter in that sport. It is assumed that the academic standing of the colleges, the games with which contribute to the awarding of the letter, are such as not to belittle the quality of our competition.

2. Members of the teams representing Lake Forest shall be eligible to receive the monogram given in the sport in which they participate, subject to the following conditions:

A. Members of the football squad must play in a total of one-half of the quarters of the season; any fraction of a quarter shall count as a whole.

B. Members of the basketball squad must play in sixty per-cent of the quarters of the season; any fraction of a quarter shall count as a whole.

C. Members of the baseball squad, except the pitchers and catchers, must play at least five innings in more than half the games played, or must participate in more than one-half the total innings played.

The pitchers' requirement is two full games or one-fourth the playing time of the season by innings. The catchers' requirement is three full games or one-third of the total innings played. Any part of an inning shall count as one inning.

D. Members of the track team must win a place, or be members of the winning relay team in a state or conference meet; or must average three points per meet in all dual meeets of the season with colleges as designated above, (adequate academic standing).

E. Members of the cross-country team must compete in three-fourths of the inter-collegiate meets; and must average not less than sixth place in the meets in which they have competed.

F. Members of the tennis squad must participate in three full matches, or the equivalent of three full matches; a match to be considered both a single and a double or any combination of these to form six different playings.

3. No letter or sweater shall be awarded to any student who, at the close of the season or during it, is not passing in sufficient academic work to assure his remaining in college.

4. A senior in football, baseball, basketball, track or tennis who, because of injuries or some other sufficient reason, has not fulfilled the above requirements, may receive a monogram upon a recommendation from the faculty athletic committee and approval by the Board of Control.

5. In every case the awarding of monograms shall be subject to the recommendation of the Director of Athletics and to the ap-

proval of the Athletic Board of Control. Any player or manager entitled to a monogram by reason of the number of games played may have his monogram withheld from him if a committee composed of the Director of Athletics, the Student Association, and the Captain of the sport in which the player participated, consider him guilty of any display of poor spirit, a disregard of training rules, insubordination, or general inefficiency.

6. No person shall be allowed to wear a monogram if he has not been awarded the same for athletic competition by the Board of Control.

Intramural Sports

Intramural athletics in Lake Forest include "outdoor-indoor" baseball, track, tennis, and golf. Competition between the various organized social groups on the campus is keen and provides some exciting games. The Stentor plays an active part in furthering the games by offering trophies to the winners in men's and women's basketball and in track. Spies Brothers of Chicago, offer a fourth in track for the men. Last season's winners were:

Basketball (men) ..... Phi Pi Epsilon
Basketball (women) .... Sigma Tau Sorority
Track (men) ..... Phi Pi Epsilon
Baseball ..... Digamma fraternity

The L. F. Club

The purpose of the L. F. Club is "to foster a spirit of fraternalism among the wearers of the varsity monogram" and "to make the monogram emblematic of all that is best in sportsmanlike conduct." All students who have earned a varsity letter are eligible for membership. All graduates in good standing who earned a letter before leaving Lake Forest are associate members.

Social Organizations

Fraternities and Sororities

Fraternities and sororities are groups of students organized for the purpose of fostering a permanent friendship and mutual service between members of the society, and in Lake Forest, as is the custom in the majority of other schools in the country, add to their membership in the fall from the ranks of the incoming new students. Freshmen are extended the hospitality of the fraternity or sorority to ascertain the possibility of a mutual regard and congeniality, and if the group believes the new man or woman suited to their particular membership, it will send out a bid. The bid is an invitation, unsought, unapplied for, that comes from the group that believes that you are suited to them and they to you.

You will be invited to "smokers" and to "spreads"; do not misunderstand these invitations: they mean only that the group is looking you over. Make it worthwhile: look the group over, too.

Keep in mind, always, that upon your choice of a social group depends the greatest part of your happiness while you are in college, and men and women deliberating on their choice of a fraternity or sorority should think long on the matter and be sure that it is a wise decision. Your four years in college as well as your graduate life will in a large measure be determined by the society you select. If you are invited to join a fraternity or sorority you are justified in consulting faculty members, alumni, friends, and parents

before accepting. Most important is that you should link yourself with a group that will insure your happiness while you are in school.

Some of you will not be asked to join a fraternity or sorority. If you are not, do not imagine yourself a social failure or think your college career ruined. You will find the non-organized men and women of Lake Forest taking an active and important place in the life of the campus. Some men and women remain independent by choice. Your failure to make a fraternity or sorority means merely that you were not known to the group, or that the group did not think you would fit into their membership. Making a fraternity or a sorority is like making a friend: it is a matter wholly personal, and your not receiving a bid is no reflection upon your character or your ability. Whatever your reaction, do not turn anti: there is nothing more ruinous to your college career and your associations with your classmates, and it brings nothing but dissatisfaction and discontentment. Mutual co-operation between organized and unorganized students has always been the custom at Lake Forest, for in that way only can the greatest be gotten from and the greatest service be rendered to the college which is ours.

Remember that when you once make your decision there is no retracting and changing of mind. Be careful in keeping your engagements and promises. It is wise never to promise anything definite. A man who is pledged cannot with honor accept invitations from other groups, nor should he accept an in-

vitation from one if he already has one with another.

Rushing at Lake Forest rarely lasts over two weeks. While this at first may seem too hasty and involving of too much of a risk, its results have been such as to justify its continuance in the opinion of those, who, through knowledge of facts, are qualified to judge its relative merits.

On the night of pledging, all men are required to retire to their own rooms immediately after dinner in the evening. Bids are then delivered to their doors. These they sign, indicating yes or no. Upon the ringing of the College Hall bell, they assemble at the quarters of the group they have chosen. From then on until the formal initiations in the spring they wear pledge buttons in the lapels of the coats. Each fraternity has a button of distinctive design and these must be worn all the time.

Fraternities and sororities will emphasize that pledging is by no means obligatory on the part of the organization. It is merely a prolonged period of "looking you over". Because they think you are possessed of certain qualities they have pledged you. They must know before they initiate you. But a person should always accept a pledge with the idea of becoming an integral part of the organization whose strength depends entirely upon the activity and interest of every member. It is for the student to join wholeheartedly into the spirit of the group chosen and contribute a fair share to its successes and good name.

Honor Societies

IRON KEY

Iron Key, senior and junior men's honorary fraternity, founded in 1920. The Iron Key fraternity is an honorary group that is composed of students who have shown excellence in scholarship, and who have taken part in campus activities. The ideal of the fraternity is an all-'round man who is looked up to by his classmates as a leader. The selection of two men from the junior class and four from the sophomore class, to fill the ranks of the six seniors who graduate, takes place in the spring in a chapel ceremony. The fortunate men are "tapped" and later initiated into the fraternity, the juniors in the spring, the sophomores in the fall.

SIGMA ETA

Sigma Eta honorary fraternity was founded "to promote, encourage, and recognize attainment in scholarship." Membership in Sigma Eta consists of juniors and seniors who fulfill the following requirements:" Two juniors having the highest record in scholarship during their college course, provided that their average grade does not fall below 2.8. Seniors elected to membership shall be those receiving the highest marks in their college course, so that the total number of the senior members of the society shall not exceed 10 per cent. of the class and provided that no members of the senior class shall be elgible whose average is below 2.7."

PHI SIGMA IOTA

The Mu Chapter of Phi Sigma Iota national honorary Romance Language fraternity was installed at Lake Forest last spring.

Students who have outstanding attainments in the department of Romance Languages are eligible to membership. Its aim is to promote interest in Romance Languages and to encourage diligent scholarship.

Rushing Rules

Dean's Greetings

There will be much to learn and many adjustments to make during your first few weeks at College. Perhaps in the beginning it will seem to you that you are fairly shut in by restrictions. You will be told about the college Regulations as upheld by the Faculty of the College, you may be perplexed by rushing rules, or perhaps every now and then you may be advised of having overlooked or broken this or that house rule as made by the Women's Self-Government Association.

For your best good, it is desirable that you accept these regulations as standards of conduct rather than restrictions. By adopting the former interpretation, you will observe the rights of others, and, in so doing, will move freely and happily in our college world. From the other standpoint, you will abide by a set of regulations merely because of fear of discipline, and thereby will cramp and limit your opportunity for wholesome growth and development. You are free only in so far as you are restricted. Our college life offers much opportunity to the free person, but not to the one who does not interpret freedom in terms of the rights of others.

Welcome, thrice welcome to Lake Forest College. As members of our student body, may you realize, to some measure at least, the true meaning of freedom.

Cordially yours,

Agnes R. Koupal,
Dean of Women.

Women's Self Government

Women's self government in Lake Forest is divided into two parts: the Lois Durand Hall Government and the College Hall Government. Under the management of the two executive committees of these governments come all activities of women students. The presidents of the two groups are elected in the spring just before the close of school. The rest of the officers (secretary and treasurer at Lois Durand Hall) are chosen at the beginning of each semester.

Officers for the coming year are:

Lois Durand Hall—
President ..... Giggina M. Pietrangeli, '30

College Hall—
President ..... Ann E. Johnson

Patronesses: Mrs. Bruce Lineburg, Mrs. E. A. Johnson.

The government of the girls' dormitories is largely in the hands of the students represented by the Executive Committee because they believe that college women are capable of self-government. They believe that the success of their self-government depends upon the willingness with which the individual assumes responsibility for herself and upon her determination to co-operate with others. It is the hope of the Executive Committee that all girls will strive to realize this ideal.

The Constitution of The Women's Self Government Association follows:

Constitution

Article I.

Name.

The name of this organization shall be The Women's Self-Government Association of Lake Forest College.

Article II.

Object.

The object of this Association shall be to regulate matters pertaining to the student life of its members which do not fall under the immediate jurisdiction of the faculty, to further in every way the spirit of unity of the women of the College, to increase their sense of responsibility toward each other, and to be a medium by which the social standard of the College can be made and kept high.

Article III.

Members

Section 1. All women registered as resident students shall be members of this organization and shall pay a Women's Self-Government fee of one dollar which will be charged on the regular college bills.

Section 2. The fund from this fee will be deposited at the bank by the Comptroller of the College in the name of Women's Self Government Association.

Article IV.

Executives.

Section 1. (1) The President shall be elected by a simple majority of the members of the organization.

Section 2. There shall be an Executive Committee which shall consist of one Sophomore, two Juniors, and two Seniors from Lois Hall (one of whom is President of Women's

Self-Government organization). The Freshmen shall have an inactive representative from their class the first semester. During the second semester, they shall have an active one. Patterson Lodge shall have its own representative.

Article V.

Election.

Section 1. (1) The President shall be elected by a simple majority of the members of the organization.

(2) The names of the nominees for the office of President shall not be known until the time of election, which shall be by secret ballot, nominees selected by the Executive Committee and approved by the Dean of Women.

(3) The election for President shall take place the first week in May.

Section 2. The Executive Committee shall be elected at the beginning of each semester.

Section 3. The Secretary and Treasurer shall be elected by the Executive Committee.

Section 4. Upon entering office the President shall take the following oath:

"I, ..., hereby promise to administer to the best of my ability the duties of President of the Women's Self-Government Association."

Article VI.

Absence and Vacancies.

Section 1. In the case of absence of the President, the Executive Committee shall choose one of its senior members to act in that capacity.

Section 2. In the case of permanent absence of any member of the Executive Committee, the class concerned shall elect a new member.

Section 3. Any member of the Executive Committee violating rules for smoking shall be automatically dropped from office.

Article VII.

Meetings.

Section 1. There shall be a meeeting of the Association on the first Monday of each month. (Special meetings may be called by the President or the Dean of Women.)

Section 2. The meetings of the Executive Committee shall be held once a week, the time to be determined by the Executive Committee.

Article VIII.

Amendments.

Section 1. A majority vote of three-fourths of the Association shall be required for the amendment of this Constitution.

Section 2. Proposed amendments must be posted one week before they are voted upon.

Article IX.

Interpretation.

Section 1. All questions of interpretation of this Constitution or the Rules shall be referred to the Executive Committee whose decision shall be final.

Article X.

Duties.

Section 1. (1) The President shall call and preside at all meetings of the Executive Committee and of the members of the Association.

(2) A member of the Executive Committee shall appoint all proctors every two weeks whose sole duty it shall be to keep the halls quiet and report any noise.

Section 2. The Executive Committee shall draw up and suggest revision of Rules.

Section 3. It shall be the duty of the Secretary to keep accurate records of all meetings, to file documents, and to conduct the correspondence of the Association.

Section 4. It shall be the duty of the Treasurer to manage the finances of the Association, to pay all bills upon order of the President or the Committee.

House Rules

I.

Social Entertainments.

1. Students shall enter the Halls quietly and promptly. No men are permitted in the Halls after 10:00 P. M. on week nights and after 12:30 on Friday and Saturday nights.

II.

Quiet Hours.

1. Week Days—
   8 A. M. to 12:00 noon,
   1:30 P. M. to 4:30 P. M.,
   After 7:30 P. M.

   Fridays—
   8:00 A. M. to 12:00 noon,
   1:30 P. M. to 4:30 P. M.,
   After 7:30 P. M.

   Saturdays—
   Before 11:00 A. M.
   After 10:00 P. M.

   Sundays—
   Before 10:00 A. M.,
   3:00 P. M. to 5:00 P. M.,
   After 7:30 P. M.

2. When there is noise or talking in any room, the doors must be closed.

3. Girls must walk quietly in the halls. There is to be no running in the halls at any time.

4. Quiet must be observed in the bathrooms. There is to be no running of water in the tubs after 10:00 P. M. any night. There is to be no washing of dishes in the bathrooms after 10:00 P. M. on week nights, and after 10:30 P. M. on Friday and Saturday nights.

5. There is to be no dancing nor playing of jazz in the living rooms on Sunday. The pianos in the living rooms may not be used before 10:00 A. M. on Sundays.

6. It shall be the duty of the proctors to report any one who is noisy during quiet hours.

7. All girls are prohibited from smoking in the Halls and on the Campus.

III.

Permissions.

1. Permissions for each class are as follows:

	Monday	Tuesday	Wednesday
Seniors	10:00	10:00	11:00
Juniors	10:00	10:00	11:00
Sophomores	9:00	9:00	10:00
Freshmen	7:30	7:30	10:00

	Thursday	Friday	Saturday	Sunday
Seniors	10:00	12:30	12:30	10:00
Juniors	10:00	12:30	12:30	10:00
Sophomores	9:00	12:30	12:30	10:00
Freshmen	7:30	10:00	12:30	8:00

2. NO SPECIAL PERMISSIONS WILL BE GIVEN TO ANY ONE BEYOND THE ABOVE SPECIFIED HOURS.

3. Freshmen may not have any library permission at night.

4. Any girl may go to the Coffee Shop in the evening, provided the time of her going falls within the time of her allotted permission.

IV.

Signing Out.

1. Every one must sign out for any permission after 7:30 any night.

2. On leaving Lake Forest, afternoon or evening, every girl must register her exact destination and time of return. Registration must be cancelled on return.

V.

Calling Hours.

1. Week days—
   All classes—
   Afternoons—4:30 to 6:00.
   Evenings—no calling hours.

2. Friday, Saturday, Sunday—
   All classes—
   Afternoons—4:30 to 6:00.
   Evenings—the same as the individual girl's permission for that night.

VI.

Day Students.

Any day student who may stay in the Hall over night or for any length of time is subject to all of the foregoing rules.

Definitions

1. Our "campus" is a punishment administered for noise made during quiet hours, or for failure to get in on time, and it means that the person "campussed" is not to leave the campus, nor speak to any man at all, nor leave the Halls after 6:30 P. M.

2. Failure to keep a "campus" may result in loss of week-end privileges for an indefinite length of time. The latest permission granted to a person under these conditions

is 10:00 P. M., but the decision in any case shall rest with the Executive Committee.

3. Social privileges include attendance at dances, class banquets, etc. Any person found guilty of violating any of the more serious customs of the College will be subject to loss of privileges.

4. No "campuses" may be changed.

College Hall Girls

The day student women are organized into the College Hall Girls. This name is taken from the fact that they have their rooms in College Hall. These rooms are three: Locker, lounge, and study. Meals may be had at Lois Durand Hall or in the Coffee Shop.

In addition to their own officers, there is an Advisory Committee composed of the wives of members of the Faculty who are ready to advise and help the girls in any way possible.

The girls' social activities include spreads, parties, luncheons, an annual tea for the faculty and wives, and a tea for all women students.

Among the College Hall Girls there is a friendly easy spirit which enables them all to have a good time. All college women and special students who do not live on the campus are sincerely invited to "put their hats and books in a locker, study in their study room, dance to their tuneful victrola, and get acquainted."

Women's Athletics

To girls who are athletically inclined Lake Forest offers an all-year-'round program of sports that includes hockey, swimming, baseball, basketball, track, and tennis. In the fall rival hockey teams compete on the south campus practice field. In the winter there is an interclass tourney in basketball, followed by games with Ferry Hall and a sorority tournament. In the spring there is tennis, baseball, and track. Swimming is on the schedule all year, ending with an interclass meet in the Ferry Hall pool.

Women's athletics are under the supervision of the Women's Athletic Association, of which Gertrude H. Brennan is president, popularly known as the W. A. A., that each year awards pins to girls making 100 points, class numerals to those making 300, and blazers to those making 1000. For every 500 over 1000 the winner receives a star.

The Y. W. C. A.

Playing quite an active part in the life of the college, the Young Women's Christian Association each year gives several teas in Lois Durand Hall, an annual bridge party, a program for the Arden Shore Camp boys in the college gymnasium, conducts the May breakfast, and dresses dolls for the children at the Howell House, Chicago. Officers of the association, elected each fall, are president, secretary, treasurer, social chairman, social service chairman, junior representative, day-student representatives, and publicity chairman.

Rushing Rules for Women

I.

Summer Rushing.

1. No letters may be written to new girls until after August 1st.

2. There may be no calling until after September 1st. Formal calls only may be made.

II.

Explanation of Rushing Rules.

Copies of rushing rules will be given to new girls when they register and the rules will be explained by the Dean of women.

III.

General Rules.

1. All new girls are to sleep in their own rooms, or with another new girl.

2. There may be no mention of sorority affairs at any time or in any way.

3. There may be no rushing outside of Lake Forest with the exception of dates with men at night when girls may be taken to Highland Park or Waukegan only.

4. Girls may be taken to tea Sunday night and to registration on Monday and Tuesday. They may be rushed these two days, but are not to be taken out of the Hall for meals.

5. All alumnae are to be held to these rules.

IV.

Strict Rushing Rules.

1. Strict rushing begins September 18, 1929.

2. There may be no rushing before 2:30 p. m.

3. Each sorority has its own afternoons and evenings, and no other sorority may infringe on them. Sorority afternoons last from 2:30 to 5:30 p. m. Spreads in the evening last from 9:00 to 11:00, with the exception of Saturday night.

4. These afternoons and evenings are determined by straw ballot.

5. There may be no communication with rushees from Friday at midnight until Saturday afternoon when the bids are accepted.

6. The sorority which has a date has the right to get the rushees dates with men. On Saturday night that sorority shall give the other sororities a list of the girls for whom they are getting dates. The other sororities are then at liberty to get dates for the other rushees. This list must be in by Friday noon.

V.

1. Sorority lists are to go to the Dean of Women by 12 noon, Friday, September 27.

2. The Dean notifies the rushees of a bid and invites them to be at Lois Durand Hall at 2:00 p.m., Saturday, to give their preference to her.

3. The girl then goes to the sorority room which she has chosen.

4. The Dean gives each sorority the list of girls who have accepted its bid.

VI.

1. Pledging is Monday, September 30.

VII.

Mid-semester Rushing.

1. Mid-semester rushing starts the day of registration and ends the following Monday.

2. Sorority lists are to go to the Dean on Sunday at 12 noon.

3. There may be no communication with the rushees from midnight, Sunday, until 1 p. m., Monday.

4. The Dean makes individual notification to the sororities and new girls at 1 p. m., on Monday.

VIII.

Broken Pledges and Bids.

A girl whose pledge or bid is broken is not to be rushed by any other sorority until the following semester.

IX.

Penalties.

1. Verbal bidding by any sorority will result in the loss of bidding privileges by that sorority for that semester.

2. Any sorority, or member of any sorority, rushing outside of its allotted dates shall have one of its afternoons of the next fall semester taken away.

3. Any sorority rushing outside of Lake Forest except in double dates with men at night shall have the same penalty.

4. Execution of penalties comes under the Women's Pan Hellenic Council, a meeting of which may be called through the president of any sorority.

LAKE FOREST, ILLINOIS

General Information

Infirmary—The Alice Home, the gift of the late Mrs. Henry C. Durand, was erected in 1898 as a hospital for the special use of Lake Forest College and the two formerly allied secondary schools, Lake Forest Academy and Ferry Hall, as a memorial to her sister, Alice Bursdel Burhans. It is an attractive building in old English style, east of Lois Durand Hall on the north campus. It is well located with a sunny exposure and is equipped with every home comfort and with the best modern appliances for the care of the sick or injured. Capable nurses and physicians are in constant attendance. The expense of hospital care to students is very moderate.

Bookstore—The college bookstore is located in the Henry C. Durand Institute in connection with the office of the comptroller, Mr. Fred W. Richman. Miss Hazel Collin is in charge. Books and supplies may be charged to the college bill.

Marks and Reports—Reports of students' standings are sent at the end of each semester to the parents or guardians. Grades are indicated by letters, **A** signifying a very high grade, **B** quite good, **C** fair, **D** just passing; **X** is indicative of a condition which is removed only by a special examination; **E** indicates failure, and to get credit the course must be repeated the following year; **I** signifies that the work in the course is incomplete; **W** indicates that the student has withdrawn from a course while maintaining a passing grade. If **X's** and **I's** are allowed to go on record neglected, the **I** automatically becomes an **X** and the **X** an **E.**

Library Privileges—Users of books and periodicals in the Arthur Somerville Reid Memorial Library are subject to the following regulations as outlined by Miss Mabel Powell, librarian:

1. Books may be drawn by students for a period of three weeks. They may be renewed by request at the end of that time for another three weeks period.

2. A fine of two cents a day is charged on all overdue books.

3. All books, periodicals, and pamphlets must be charged at the desk before being taken from the library.

4. Reference books and books which for any reason are not subject to loan may not be taken from the library except during the hours which it is closed.

5. A fine of one dollar is charged for reserved books which are not returned promptly.

6. All books must be returned before all vacations.

7. The librarian may at her discretion exclude a student from the privileges of the library for a given period of time.

The library is open from 8:30 to 12:30, 1:30 to 4:30, and 7:30 to 9:30. It is not open on Sundays.

The Lake Forest Public Library, located on the second floor of the city hall, Deerpath and Forest Avenues, extends full privileges to all college students. It is open from 9 to 5 and 7 to 9. Miss Stella Glasgow is librarian. It is not open on Sundays.

The bookstall in the Baldwin Shop, just across the square from the post office, loans books that are new, after a two-dollar deposit, for twenty-five cents the copy.

Dining Hours—Calvin Durand Commons:

Week days—
breakfast—7:10
luncheon—12:30
dinner — 6:15

Sunday—
breakfast— 8:00
dinner — 1:00
supper — 6:00

Lois Durand Hall:

Week days—
breakfast— 7:15
luncheon —12:30
dinner — 6:30

Sunday—
breakfast— 8:00
dinner — 1:00
tea — 6:00

The dining-room doors are open only for fifteen minutes after the serving hour designated above. John A. Komar, '31 is student manager of the Calvin Durand Commons, and Carl D. Parker at Lois Durand Hall.

Coffee Shop—The Coffee Shop under the direction of Mrs. Thayer, is located in the south basement of College Hall. No student living on the college campus may board there regularly. Breakfast and luncheon is served, and supper after dances, plays, etc. No student may have dinner in the Coffee Shop. The exact hours that it will be open will be announced in The Stentor.

Golf Course— The Campus golf course, extends over the south campus for six holes. The yardage is as follows:

5. A fine of one dollar is charged for reserved books which are not returned promptly.

6. All books must be returned before all vacations.

7. The librarian may at her discretion exclude a student from the privileges of the library for a given period of time.

The library is open from 8:30 to 12:30, 1:30 to 4:30, and 7:30 to 9:30. It is not open on Sundays.

The Lake Forest Public Library, located on the second floor of the city hall, Deerpath and Forest Avenues, extends full privileges to all college students. It is open from 9 to 5 and 7 to 9. Miss Stella Glasgow is librarian. It is not open on Sundays.

The bookstall in the Baldwin Shop, just across the square from the post office, loans books that are new, after a two-dollar deposit, for twenty-five cents the copy.

Dining Hours—Calvin Durand Commons:

Week days—
breakfast—7:10
luncheon—12:30
dinner — 6:15

Sunday—
breakfast— 8:00
dinner — 1:00
supper — 6:00

Lois Durand Hall:

Week days—
breakfast— 7:15
luncheon —12:30
dinner — 6:30

Sunday—
breakfast— 8:00
dinner — 1:00
tea — 6:00

The dining-room doors are open only for fifteen minutes after the serving hour designated above. John A. Komar, '31 is student manager of the Calvin Durand Commons, and Carl D. Parker at Lois Durand Hall.

Coffee Shop—The Coffee Shop under the direction of Mrs. Thayer, is located in the south basement of College Hall. No student living on the college campus may board there regularly. Breakfast and luncheon is served, and supper after dances, plays, etc. No student may have dinner in the Coffee Shop. The exact hours that it will be open will be announced in The Stentor.

Golf Course— The Campus golf course, extends over the south campus for six holes. The yardage is as follows:

Library Privileges—Users of books and periodicals in the Arthur Somerville Reid Memorial Library are subject to the following regulations as outlined by Miss Mabel Powell, librarian:

1. Books may be drawn by students for a period of three weeks. They may be renewed by request at the end of that time for another three weeks period.

2. A fine of two cents a day is charged on all overdue books.

3. All books, periodicals, and pamphlets must be charged at the desk before being taken from the library.

4. Reference books and books which for any reason are not subject to loan may not be taken from the library except during the hours which it is closed.

5. A fine of one dollar is charged for reserved books which are not returned promptly.

6. All books must be returned before all vacations.

7. The librarian may at her discretion exclude a student from the privileges of the library for a given period of time.

The library is open from 8:30 to 12:30, 1:30 to 4:30, and 7:30 to 9:30. It is not open on Sundays.

The Lake Forest Public Library, located on the second floor of the city hall, Deerpath and Forest Avenues, extends full privileges to all college students. It is open from 9 to 5 and 7 to 9. Miss Stella Glasgow is librarian. It is not open on Sundays.

The bookstall in the Baldwin Shop, just across the square from the post office, loans books that are new, after a two-dollar deposit, for twenty-five cents the copy.

supper — 6:00

Lois Durand Hall:

Week days—
breakfast— 7:15
luncheon —12:30
dinner — 6:30

Sunday—
breakfast— 8:00
dinner — 1:00
tea — 6:00

The dining-room doors are open only for fifteen minutes after the serving hour designated above. John A. Komar, '31 is student manager of the Calvin Durand Commons, and Carl D. Parker at Lois Durand Hall.

Coffee Shop—The Coffee Shop under the direction of Mrs. Thayer, is located in the south basement of College Hall. No student living on the college campus may board there regularly. Breakfast and luncheon is served, and supper after dances, plays, etc. No student may have dinner in the Coffee Shop. The exact hours that it will be open will be announced in The Stentor.

Golf Course— The Campus golf course, extends over the south campus for six holes. The yardage is as follows:

1 hole	.....	100 yds.
2 hole	.....	124 yds.
3 hole	.....	116 yds.
4 hole	.....	122 yds.
5 hole	.....	110 yds.
6 hole	.....	132 yds.

Persons using the course are required to wear low-heeled shoes and to remain off the course immediately after rain. Par for the course is 18. The same golf courtesies practiced on other golf courses are observed by campus players.

Activity Cards—The activity admission cards the cost of which is covered by the activity fee of $12, payable upon entrance, serve to admit students to all college events and activities such as athletic games and contests, plays by The Garrick Players, etc. Activity cards are punched at the bookstore for reserved seat checks for Garrick performances.

Mail—All mail addressed to students to their various dormitories is delivered by a college mailman via the college office, twice a day. Those students that are affiliated with campus social groups usually have private boxes at the post office. Special delivery mail is delivered between the hours of 8 and 6 and before noon on Sundays.

The postoffice in Market Square is open on week days from six a. m. to six p. m. The stamp window is open from 7:30 a. m. to 5:45 p. m. The lobby is open for box renters on Sundays from 9 to 12 a. m.

Bank Accounts—For convenience students may open checking accounts with either of

the two local banks in Lake Forest. No specified amount is necessary to open a checking account, but if the average balance runs under $100 a month there is a service charge of one dollar for that month.

Automobiles—Students desiring to keep cars on the campus must first have the permission of the President. This can be procured only by written statement from the parents of their sanction.

Work—Students who wish to earn part of their way during spare time in afternoons may find work in private homes and estates in Lake Forest. All inquiries are directed to the office of the comptroller.

Religious Organizations

Students who are interested will find that associate memberships in any of the Lake Forest churches will give all the privileges of a full member without the necessity of severing relationship with the home church. In the fall, soon after the opening of school, the various pastors about town send out invitations to the students to join their congregations. Although Lake Forest was founded by Presbyterians and still receives some aid from the Presbyterian Church in Illinois, students have perfect religious freedom and may attend the church of their choosing. The college chapel services are non-sectarian in nature.
